

Synopsis:

"Mirrorcide" is an artistic film about teenagers and their own image filtered through the camera phone, about the isolation of the individual caused by the obsession of self-image.

Emma receives a call from her so called friend, Beatrice, who invites her to a party. When she arrives, she notices masks and distorted images in the mirror and soon realizes that something is wrong. Painted faces, loud music and an altercation induce a strange vibe and create a tense atmosphere.

BIO:

Mara Cracaleanu performed at the Romanian National Opera Junior choir for 7 years, in La Boheme, Tosca, Carmen etc. Her first role in a feature movie was in a Romanian production, "Scoala de vara" who premiered in Bucharest in 2013. She was an actress in a theatre group, where she received an award for best feminine interpretation in a play based on the book "To Kill a Mockingbird". Now she's an actress in another group, from Iasi Atheneum where she won an award for the role of Laura, in "The Glass Menagerie".

She won an award for her first short film in French, "Solitude". Her second short film "Fantasy Dust", was in competition at Los Angeles Film Festival, watched by famous Hollywood directors and producers. The original soundtrack of the film was composed by Danny Elfman, a

famous film music composer. The online competition brought to her own page, 11.000 fans. She also worked on other projects, such as two documentaries and more than 6 screenplays. Her latest project is a short film, "Mirrorcide", a drama about teenagers and their own image, awarded internationally.
